### SCOTTISH SMOKED SALMON

Scottish salmon is the perfect union of silky texture, balanced smoke, and total sophistication. The Scottish smoked salmon's flesh is incredibly tender and buttery, with a color that has an orange-pink hue.

### GRAVLAX A.K.A. "THE GATEWAY FISH"

Gravlax is an age-old Scandinavian specialty of salmon that is cured and coated in a delicate brine of salt, sugar, dill, and other secret ingredients. This specialty of salmon is never smoked. It has a sweet-herb flavored bite with a fresh and clean finish.

### WHITEFISH

A smoked whitefish laid out on the table is the centerpiece of many family gatherings. Native to the Great Lakes, whitefish are hot smoked to perfection to give your palette a moist, dense, and smoky experience.

### SABLE (BLACK COD)

Line caught in Northern Pacific waters, this black cod is smoked to our specifications and then dusted with a thin coat of paprika to lock in its natural moistness and round out the flavor.
